UNIFY TEAM DONATION

OCT 2017 - OCT 2018
On the 1st of October 2017, the Unify team put aside a sum of 20,000 Unify not to be touched for a whole year. After 1 year, a vote will be held by the community to determine which charity will be donated to using the funds. Our donation can be found on Unify website. We will update the dollar value of the donation on the 1st day of each month for the next 12 months.

WALLETS REDESIGN

For all beginners to crypto, the wallets (and the crypto world in general) seem confusing and hard to use. That's why we will be performing an overhaul of the wallets to be the easiest and most intuitive as possible.

BETA TESTING AND LAUNCH OF THE MARKETPLACE PLATFORM

Unify will be a cryptocurrency based marketplace where you can buy and sell crowd-funded projects as well as other products with alternate cryptocurrencies.

UNIFY TOKEN
DEC 2018

The token will be compatible with ERC20 supported wallets, tradeable on exchanges and spendable at Unify Market. Funders will get a certain amount of Unify Tokens in return for a successfully funded project.

BETA TESTING AND LAUNCH OF THE CROWDFUNDING PLATFORM

END OF Q1
Unify is a crowdfunding platform which utilizes cryptocurrencies. Funders will be able to support the project with Unify Coin. Alongside incentives for donating from the developer, funders will get a certain amount of Unify Tokens in return for a successfully funded project.
